

HEAT STRESS WATCH

Discomfort levels are expected to increase for 12th of April, this is coming after 3 consecutive days of rainfall over the country. Maximum temperatures over the north are within 40 °C . Clear skies and moisture will aid this heat and attendant discomfort.

Discomfort levels should be highest over parts of Borno, Adamawa, Taraba, Gombe, Yobe, Bauchi, Jigawa, Kano, Katsina, Kaduna, Zamfara, Sokoto, Kebbi, Niger, Kogi, Nasarawa and Benue states including the federal capital territory.

You can use the brief advisory of the last release you made, its apt and precise.
