**Advisory:**

- i. Temperatures are high over most parts of the country, putting people at risk of heat stress; people should stay in well-ventilated and cool spaces.
- ii. Drink plenty water to stay hydrated.
- iii. Get vaccinated against meningitis, practice good hygiene by washing hands regularly, avoid overcrowding in small spaces, use a nose mask to reduce chances of infection and avoid close contact with those affected.
- iv. Avoid peak sun hours (12pm – 3pm) and protect yourselves from undue exposure to direct sunlight.
- v. Strong winds may precede the rains in areas where thunderstorms are likely to occur, public should take adequate precaution.
- vi. Airline operators are advised to get airport-specific weather reports (flight documentation) from NiMet for effective planning in their operations.
- vii. Residents are advised to stay informed through weather updates from NiMet. Visit our website [www.nimet.gov.ng](http://www.nimet.gov.ng)
