Advisory

- i. Driving under heavy rain should be avoided.
- ii. To avoid leaching of nutrients, farmers should refrain from applying fertilizer and pesticides right before the rains.
- iii. Ensure warm clothing for the vulnerable persons due to low night-time temperatures.
- iv. Ensure that loose objects are fastened to avoid collision.
- v. Disconnect electrical appliances from electrical sockets.
- v. Stay away from tall trees to avoid impact from falling branches and broken trees.
- vi. Airline operators are advised to get airport-specific weather reports (flight documentation) from NiMet for effective planning in their operations.
- vii. Residents are advised to stay informed through weather updates from NiMet. Visit our website www.nimet.gov.ng
