## Advisory

---

- i. Strong winds may precede the rains in areas where thunderstorms are likely to occur, public should take adequate precaution and ensure that loose objects are fastened to avoid collision.
- ii. Driving under heavy rain should be avoided.
- iii. Disconnect electrical appliances from electrical sockets.
- iv. Stay away from tall trees to avoid impact from falling branches and broken trees.
- v. Airline operators are advised to get airport-specific weather reports (flight documentation) from NiMet for effective planning in their operations.
- vi. Temperatures are expected to remain high causing thermal discomfort. The public is advised to wear breathable clothing, stay in a well-ventilated environment and stay hydrated.
- vii. Residents are advised to stay informed through weather updates from NiMet. Visit our website
